

What is the Columbia Basin Cancer Foundation?

The Columbia Basin Cancer Foundation focuses on providing support, services, encouragement, and information to patients and families in Grant and Adams Counties currently battling cancer. We strive to identify individual needs through individual interviews and then provide help throughout the process of diagnosis, treatment, and recovery. We collaborate with a variety of groups and agencies to expand resources for cancer patients locally.

The Foundation recognizes the dream of providing tangible aid and emotional support to patients and families dealing with cancer. Our hope is to bring the community together to support these individuals and meet their needs.

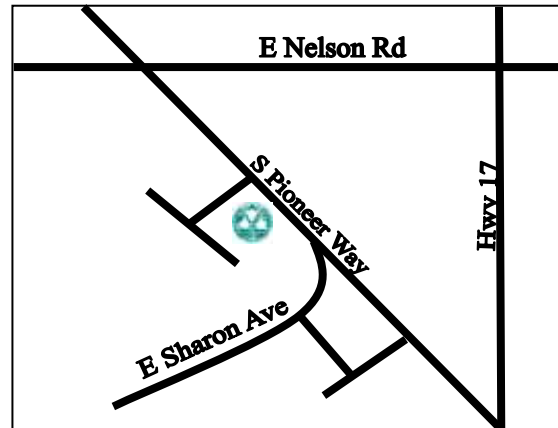

Here are some of the services that we currently provide cancer patients:

- Transportation Assistance
- Dietary Assistance
- Emotional support from staff and volunteers
- Monthly Support Group
- Hats, wigs, and scarves
- Educational Information
- Quilts, Pillows, and Journals

If you would like more information on the services that we provide please visit our website at www.columbiabasincancerfoundation.org.

“Do all the good you can,
By all the means you can,
In all the ways you can,
In all the places you can,
At all the times you can,
To all the people you can,
As long as ever you can.”
John Wesley

Leaving a Legacy: Memorial Donations

What is a memorial donation?

A memorial donation — large or small — is a donation made to commemorate a beloved friend or family member who has passed away. Some survivors specifically request that mourners make memorial gifts to the Columbia Basin Cancer Foundation. In some cases, mourners may make a memorial gift of their own accord.

How does the Columbia Basin Cancer Foundation use memorial donations?

Memorial donations are used to help current cancer patients and their families with transportation expenses, dietary needs, emotional support, and other needs on a case by case basis. Your donation could help a family get their child to treatment, help a woman find a wig, or supply a patient with lodging while undergoing intensive treatment.

How can I make a memorial donation?

Simply send the donation to the Columbia Basin Cancer Foundation with a short note indicating who the gift is intended to commemorate. We will send notification of your gift (although not the amount) to the deceased's spouse or children. We will also send an acknowledgement of the gift to you. We will also recognize your gift in our newsletter and on our website. Please let us know if you'd like your gift to remain anonymous.

How do I arrange for memorial donations to be made in honor of a recently deceased loved one?

The best way to suggest memorial donations be made is to mention it in your loved one's obituary. If you can, include the Columbia Basin Cancer Foundation's address so that people will know where to send their gift. We can also provide additional copies of this brochure in order to make them available at the location of the funeral. If you can, please let us know that you plan to request memorial gifts.
